

Program SLOs/SAO

From the 2005-2006 Program Review (PrOF)

Library Services

FYI - Program SLOs are what students will have in their heads 2-3 years after they leave CRC... SAO = Service Area Outcome

Program Student Learning Outcomes
P-SLO 1 Students will develop the ability to articulate a need for information.
P-SLO 2 Students will develop the ability to choose a research topic and narrow or broaden the scope of the topic.
P-SLO 3 Students will develop the ability to construct a research strategy.
P-SLO 4 Students will develop the ability to select and effectively use an appropriate information tool such as the library catalog or a research database.
P-SLO 5 Students will develop the ability to critically evaluate information retrieved.
P-SLO 6 Students will develop the ability to write a correct citation for the information found.
SAO 1: Continue Collection Weeding and Development Processes to arrive at a more useful and up to date information resource for all campus constituencies.
SAO 2: Maintain our data collection mechanisms.
SAO 3: Continue to serve student needs to support their learning.
