STEPS TO SUCCESSFUL ENROLLMENT

Students may apply to CRC by submitting an online application. Go to the CRC home page at www.crc.losrios.edu and click on the “Apply to CRC” link. Then click on “Enrollment Instructions” and follow the instructions for “First-time Students” or “Continuing Students” (if you are currently enrolled in classes).

If you are a First-time Student:

- A.** Upon successfully completing and submitting the application, students will then be issued a Student ID number. Allow 30 minutes for online processing.
- B.** Return to the CRC home page at www.crc.losrios.edu
- C.** Click on the “eServices” link
- D.** Click on the “Get Your Student ID Number” link, located on the left side of the screen.

If you are a Continuing or Returning Los Rios Student:

- A.** Your Student ID number will remain the same
- B.** Continuing Students – Click on the “eServices” link at www.crc.losrios.edu, complete the “Supplemental Enrollment Information” form, then find your enrollment date and time
- C.** Returning Students – Complete and submit the application, then go to “eServices” and find your enrollment date and time

STEP 2 – ASSESSMENT

All **NEW** students are required to complete the basic skills assessment tests in English or ESL, reading and mathematics. These tests assist counselors in determining appropriate course placement. The current test schedule is available online at www.crc.losrios.edu/assessment or call (916) 691-7332.

STEP 3 – ONLINE ORIENTATION

After completing the CRC assessment, complete the New Student Orientation online at www.crc.losrios.edu/onlineorientation. The online orientation is particularly important for new students to complete. Call (916) 691-7316 for more information.

STEP 4 – MEET WITH A COUNSELOR

All students should meet with a CRC Counselor. New students should schedule a course planning group session appointment. Meeting with a counselor is critical to ensure that the courses you take at CRC or other colleges meet your certificate, degree and/or transfer objectives. Contact Counseling to make an appointment by calling (916) 691-7316.

STEP 5 – REGISTER FOR CLASSES

Students can register for classes online through eServices or visit the College Center Information Booth where computer access and one-on-one support are available. Students will be assigned an appointment date and time to register for classes on-line. Students can check their appointment date by logging into their eServices account. Students can enroll during their scheduled appointment or anytime afterward.

View a schedule of classes:

- A.** Go to the CRC home page at www.crc.losrios.edu
- B.** Click on the “Class Schedule” link.

³ The last day to enroll without a permission number is the day before the first class begins. Permission numbers provided by faculty are required on the first day of class through the last day to enroll (listed in the table above).

⁴ Dropping after this date will result in an automatic 'F' grade for the course.

REGISTRATION TIPS

FINDING OPEN CLASSES

1. On the CRC website (www.crc.losrios.edu), click on "eServices/eLearning"
2. On the "Welcome to Los Rios eServices Web page: Enter your log-in ID, your password, and click "Login"
3. Under "Academic Information," select "Dynamic/Open Class Search"
4. On the Los Rios Class Search page, select the desired semester, "CRC" as your college, a course subject from the drop-down list, and click "View Courses."
5. Note that classes open and close frequently, due to student adds and drops. If the class you want is closed, continue checking class wait list status on an ongoing basis.

CLASS LOCATIONS

Check location information when selecting your classes – do not assume that they meet on the main campus on Center Parkway. Off-campus sites include Elk Grove and Amador County (see map on back of this Guide).

DROPPING CLASSES

It is the student's responsibility to drop any unwanted classes by the deadline identified for the term (see "Deadlines & Dates" table above). Students can drop online or in person at the CRC Admissions Office.

WAIT LISTS

When a class becomes full, students will be placed on the wait list. Here are the guidelines for using Wait Lists:

BEFORE THE SEMESTER BEGINS

1. Wait list status may change throughout the enrollment period. Students need to regularly monitor their wait list status (check your eServices account for status), to determine if you have been automatically added to the class
2. If you were added to the class, your Enrollment Fees are due. *Follow Step 6 of the Steps to Successful Enrollment section.*

ONCE CLASSES BEGIN

1. Wait lists are no longer available beginning on the first day of class, which is Saturday, August 25.
2. Students who were not automatically enrolled from a wait list prior to the first day of class **MUST ATTEND THE FIRST CLASS MEETING** to obtain a permission number from the instructor, if there is room in the class.
3. Once a permission number is received, students should go to the Admissions Office **IMMEDIATELY** after class to officially register and be enrolled in the class.
4. Once a student is officially enrolled from the wait list after classes begin, **PAYMENT OF ENROLLMENT FEES IS DUE IMMEDIATELY**, or the student will be dropped from class.

REFUNDS

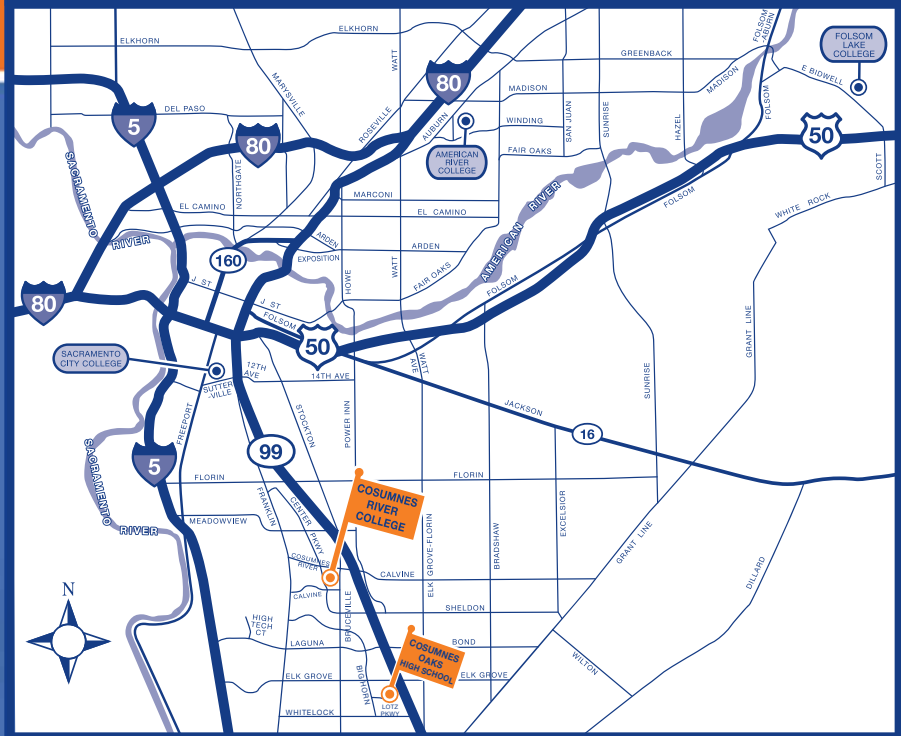

There are no refunds for courses dropped after the deadlines identified for the term (see "Deadlines & Dates" table above or visit www.crc.losrios.edu/AcademicCalendar). A refund request must be filed by the last day of instruction in the semester or term for which the fee was paid. Refunds are not automatic and credits do not roll from one semester to the next. The Fee Refund Application may be submitted online (www.losrios.edu/refundapp.htm) or obtain a Fee Refund Application at Business Services in the College Center.
