FACULTY/STAFF HIGHLIGHTS

ESL professor **Lisa Marchand** has been selected to present "Measuring student learning outcomes attainment in ESL writing courses" at the California Teachers of English to Speakers of Other Languages (CATESOL) conference on April 23.

This month Music Professor **Grant Parker** adjudicated at Delta College for their band and orchestra festival, in addition to a number of middle school and high school orchestras and bands from the bay area, Stockton and El Dorado High School (Placerville), Grant's old school. And just a week ago, On Saturday, the EGU middle schools asked Grant to be the solo adjudicator for their new middle school band festival. The CRC Concert Band performed for all of the middle school bands as the culmination of the festival to a full house. Grant had also listed each junior high or middle school that our CRC musicians attended after their name in the program. The majority of our band members attended an Elk Grove middle school in the past 10 years.

Adjunct Art Professor **Cynthia Charters** will hold an opening reception for her latest showing this Saturday, April 10 from 7-9 pm at the John Natsoulas Gallery in Davis.
