STUDENT HIGHLIGHTS

Congratulations to CRC women's soccer player **Bianca Palomera** who has been named last week's Big 8 Conference Player of the Week (defense)! Those who nominated her say "she dominates in the air and has been shutting down opposing midfielders. Her play helped us attain a shutout victory at Sac City and a tie at Santa Rosa."

Ginnetta Lyles (former CRC student and Diop Scholar) won the "Future Scholar Scholarship" at Sacramento State. The \$500 scholarship is continued each semester provided she maintains at least a 2.5 GPA. In an email to CRC counselor **Dr. Teresa Aldredge**, Ginnetta said, "Thank you for the recommendations and all your support and encouragement."

Student Ambassadors are meeting with students enrolled in the **Freshman Seminar** classes to administer the Mid-Semester Survey. The Survey is designed to facilitate dialogue between the Student Ambassadors and the students, and to promote the referral of new students to campus resources.

FACULTY/STAFF HIGHLIGHTS

For those of us who have Halloween candy left over, Nutrition Professor **Dana Wu Wassmer**, weighs in on how unhealthy Halloween treats can be. Don't be fooled by the fun-size and snack-size treats. It's downright scary how those calories can add up. Read Dana's latest article at: <http://www.cccfcs.com/uploads/Nutrition/NFSCA%2009-10/Dana-Oct-09-final.pdf>

CIS Professor **Dr. Norv Wellsfry**, male fashion model extraordinaire, won a bid at the recent Patron's Scholarship luncheon and will be the guest host on Joey Mitchell's morning show on KHITS – 92.1, from 7-8 AM on November 4. Don't miss your chance to hear his distinctive voice!

Librarian **Lily Kun** is heading north to cooler climes at Centralia College in Washington State. There she'll be their primary librarian and closer to her family. Learning Resources Dean **Stephen McGloughlin** said "Since August 2005, Lily has been an exceptional and valued Librarian at CRC and a wonderful colleague. We'll certainly miss her."

FOR YOUR INFORMATION

While the number of new faculty positions is expected to be quite limited this cycle, the college's process for prioritization of new faculty positions for fall 2010 has begun. Submitted position proposals from individual departments have been compiled and distributed to both managers and faculty of the Senate for review as participants of the College Prioritization Process. Representatives of these constituency groups will meet on November 11 to discuss the proposals and create a prioritized list of positions for presentation and discussion with the College President.
