**Note:** N/A (Not Applicable) or N/R (Not Reported) indicate categories where no participants were reported. These performance indicators include all vocational programs whether or not they are supported with VTEA Title IC funds. For more detailed reports, see Core Indicator "Summary and "Detail" Reports. Shaded areas are for your information and are not included as accountability measures.

By totaling each positive, negative or N/R outcome in the fourth column I certify and acknowledge that performance in the 30 Core Indicator categories is as follows:

\_\_\_\_\_ of the 30 are at or above the State negotiated level(s);

\_\_\_\_\_ of the 30 are below the State negotiated level(s);

\_\_\_\_\_ of the 30 are listed as (N/R)

\_\_\_\_\_  
**Department Chair (or authorized Designee)**

\_\_\_\_\_  
**Date**

Footnote: The Nontraditional Participation indicator approach uses participants, rather than concentrators, in any nontraditional vocational course as of 2002-3. Please see the Quick Reference for more information.
