Attached is the official 1st Census report for Fall 2006. As usual, there are certain "disclaimers" to consider in reviewing the report.

Fall 2006 includes enrollment activity that occurred during this week. Fall 2005 does not as it was issued earlier in the week.

This may mean that we are showing some enrollments such as students who were auto dropped re-enrolled in Fall 2006 that would have also occurred in Fall 2005.

The ISWE change for lab hours is likely generating a 1% increase over last term.

This is a real increase in terms of attendance but not in terms of a true growth in student contact.

The overall increase is about 1% higher than the week 3 reports. We are attributing that increase to the reduction in the number of auto drops and the correction of the WE classes at ARC.

This report will make your day!

Notes: ARC Unduplicated Student Headcount has been increased for both terms to reflect actual Fall 2005 SRPSTC headcount of 4,773 for Day and 61 for Evening.

ARC Unduplicated Student Headcount has been increased for both terms to reflect actual Fall 2005 Apprenticeship headcount of 2,552 for Day and 27 for Evening.

SCC Unduplicated Student Headcount has been increased for both terms to reflect actual Fall 2005 UCD headcount of 1,435 for Day and 357 for Evening.

Fall 2006 growth is estimated for DSCH - Other and Positive.

DSCH for 6W1, 8W1, 9W1 are as of census. DSCH for 6W2, 6W3, 8W2, 9W2 are as of Fall 2005 End of Semester at Annual Attendance Reporting and applied growth percentage.
