

Completion of all of the requirements in the Intersegmental General Education Transfer Curriculum (IGETC) will permit a student to transfer from a community college to a campus in either the **California State University** or **University of California** system without the need, after transfer, to take additional lower-division general education courses to satisfy campus general education requirements.

The course requirements for all areas must be completed for IGETC to be fully certified. Partial certification may be granted in certain instances. See a Counselor for more information.

Each course must be completed with a grade of "C" or better.
