SFC Bryan Hall was a true American hero! From the time he was a little boy he always wanted to be a soldier. The summer between his high school junior and senior years he joined the Army "early entry" program and spent the summer in basic training. After graduation he completed basic training at Fort Benning, Georgia. He came back home and was attached to a National Guard unit in Lodi, CA. He spent the next year and one-half at CRC and had various jobs until he decided to join the Army full time. Bryan's first duty station was Fort Campbell, Kentucky. In the summer of 1997 he did six month deployment in Egypt. After returning Bryan was stationed in Alaska, Georgia, and Colorado. He was deployed to Iraq in September of 2009. Bryan had many awards and commendations, some of which included Purple Heart, Bronze Star, 3 Army Commendation Medals, 8 Army Achievement Medals, Combat Infantry Badge, Air Assault Badge and that of US Army Ranger. Bryan has a passion for hunting and fishing. With travels through the United States, he had the opportunity to hunt and fish in some of the finest spots our great country has to offer. In the summer of 1997 Bryan met the woman of his dreams. Rachel traveled with him and soon learned to love the outdoors as much as he did. Together they were not just husband and wife, but best friends and partners throughout all the travels they incurred through Army life. In March 2007 they were blessed with a beautiful baby girl, Addison. His love for her was incredible and immeasurable! April 10, 2009 was a day that would forever change our lives. Bryan went into combat that Friday morning on a routine mission that ended his life and that of four other American soldiers. He was killed that morning protecting his soldiers and those he did not know in a country far from home. He died a true American Hero. To say we miss him is an understatement. Every day we think of him and his smile, laughter and sense of humor that made everyone around him laugh. As his family, we are honored to know he loved his career and Bryan knew his actions in Iraq were for a greater good. To know he spent his life doing what he had passion for: hunting, fishing, love of his family, his wife and beautiful daughter, will comfort us in his absence.
