## Student Development

### Program Student Learning Outcomes Student Development From the PrOF (Program Review) 2015 Update

1	Program Student Learning Outcome (P-SLO)	<b>Leadership and Engagement</b>	Demonstrate leadership and engagement in student activities and learning opportunities on campus beyond class requirements. Participate in the larger community beyond the campus in a positive manner, demonstrating an understanding of personal and social responsibility in the larger context.
2	Program Student Learning Outcome (P-SLO)	<b>Life Long Learning</b>	Demonstrate cognitive complexity; knowledge acquisition, integration, and application; cultural proficiency, civic engagement, interpersonal and intrapersonal competence, and practical competence that will make them effective citizens and life-long learners.
